Tirupati, February 12

AUSTRALIAN Consul General Aminur Rahman visited Sri City today to study the development activities in the Special Economic Zone (SEZ) and Domestic Tariff Zone (DTZ).

Sri City managing director Ravindra Sannareddy accorded a warm welcome to the Australian diplomat. He explained to the Consul General about the industrial infrastructure and other facilities in Sri City. Sri City will be part of a trade delegation which will visit Australia in March to invite investors to India, he said.

Rahman said he was impressed with the industrial infrastructure in the SEZ. He hoped that Australian investors would set up their units in Sri City.
